focusing on numeracy and literacy.

Improvement in skills for life:

Improve access to and tracking of

wider achievement opportunities.

Reduce exclusions by 20%

Work with partners to tailor our curriculum to meet the needs of this community.

Embed our new Relationships & Behaviour Policy across the school.

Improving Children's health and wellbeing - Project Equity:

Review HWB Curriculum for Lawfield and tailor to meet challenges of this community.

Close the Attainment gap - Project Equity:

Improving curriculum, learning, teaching and assessment.

Our teaching team will develop and share best practice in moderation and assessment of progress.

Our learners will be supported to be able to articulate their own progress and clearly identify their next steps.

Increase the number of children participating in achievement activities outside

of school.

Improve learners'
understanding of the skills
they are developing and how
these can be developed across
various activities.

Further improve attendance and reduce exclusions to be in line with national expectations.

We will ensure appropriate focus on Mental Health and Wellbeing in our Curriculum.

We will regularly ask Parents, learners and staff to give us their views on this plan. This will be done either through the App or Website. Please download the App if you haven't already done so—information for this can be obtained from the school office or any member of the management team.

Lets work together to achieve our goals!
